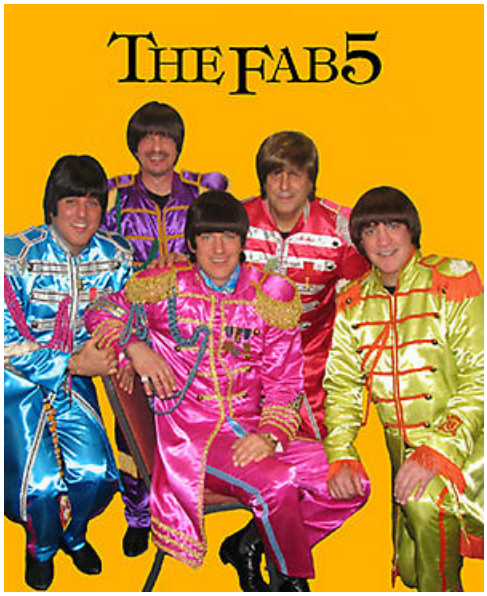
Beatles Tribute Bands

By **NME** | 11th October 2007

1



The Fab 5 – there's five of them – but good work on the suitably psychedelic suits.

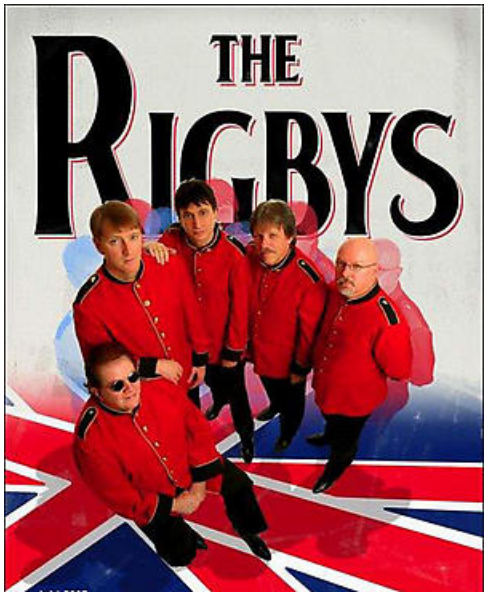
2



The Rigbys – OK, there's five of them. The Beatles definitely didn't have five members or wear Libertines jackets.

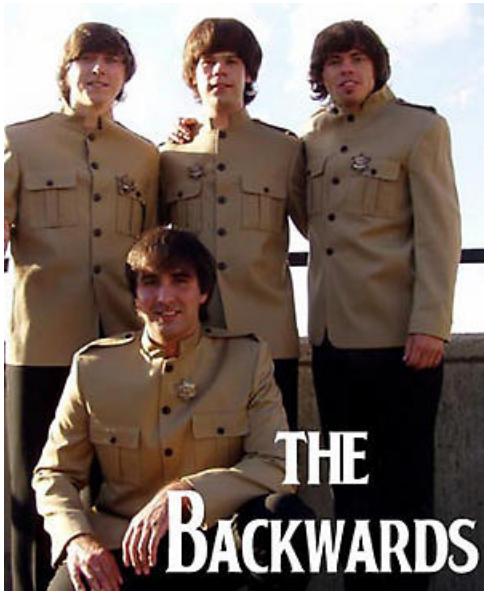
3



The Backwards – we thought tribute band names usually had to have something to do with the original band, but obviously it's not compulsory…

4

Liverpool Legends – They seem to be recreating the Shea Stadium gig, but with no one watching. Bless.

5

The Rain – an early incarnation of Oasis were in fact called Rain. We can't confirm rumours that this is the same group. Ahem.
